A top-down line drawing of a car, oriented vertically. A dashed horizontal line runs across the middle of the car, passing through the center of the rear window and the rear door area. The drawing shows the roof, rear window, rear door, and rear bumper. There are also dashed lines on the roof indicating fold-down points for the rear seats.

Technical drawing of a car in a garage. The car is shown from a top-down perspective, centered within a rectangular garage space. The car's width is labeled as 285. The garage's width is labeled as 546. The distance from the car's front to the right wall is labeled as 4. The area of the garage floor is labeled as 15,40 m². The text "GARAGE LOG." is written in bold capital letters. A compass rose symbol is located at the bottom left, with the text "+ 1 185,64" next to it. The walls of the garage are indicated by thick, hatched lines.
